

## Equipping Workers for the Harvest

# How Can CCI Training Benefit My Local Church?

### WHO WE ARE

Crossing Cultures International (CCI) exists to glorify God by equipping Christ followers globally with comprehensive training for effective ministry.

Founded in 2006, CCI was started by Dr. David Nelson to help train pastors and church leaders through a discipleship equipping model.

CCI conducts ministry on **6 continents** in **46 nations**, reaching more than **185 people groups**. Even though CCI has a notable global presence, our training is not exclusively for overseas churches. Churches throughout the United States partner with us to provide affordable and comprehensive training for their church leaders and prospective missionaries.

### WHAT WE DO

CCI training uses a relevant and contextualized curriculum in local languages. In the **Bible Training Centre for Pastors (BTCP)** courses, the trainer acts as a model, developing a discipleship relationship with his students, equipping them with ministry skills, Bible knowledge, and godly character for effective ministry.

Christian ministers (pastors, church leaders, church planters, evangelists, missionaries, etc.) need to be equipped and skilled with practical tools. Without excellent tools and the knowledge to use them, Christian leaders can face difficulty making disciples.

At CCI, we have discovered excellent tools for equipping God's servants. These tools have been used all over the world and have proven to be effective. Some benefits of the training are outlined to the right, and the courses and seminars are listed on the following page.

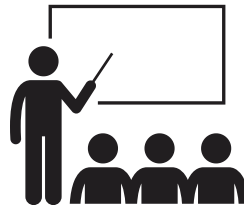

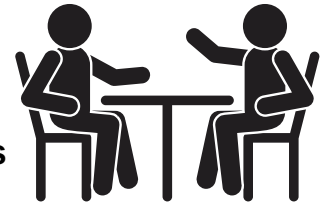

### BIBLE-CENTERED

Learning how to **understand, interpret, and apply God's Word** in daily life and ministry.

### DISCIPLESHIP

Teachers develop **personal relationships with students** during the training process.

### COMPREHENSIVE

Curriculum covers the **basics of a Bible College education**.

### TRANSFERABLE

Training is biblically **taught in a culturally relevant context**.

### AFFORDABLE

Training seminars, workshops and course materials are **financially affordable**.

### ACCESSIBLE

Training **classes are hosted in local churches** preparing the students for local and global church ministry.

### EMPOWERING

Students are **equipped and empowered to teach the curriculum to others** and multiply disciples for God's mission around the world.

## HOW IT WORKS

CCI employs the multiplication strategy demonstrated in **2 Timothy 2:1-2**. Paul trained Timothy, who trained faithful men who trained others. Our trainers and students grow in their relationship with Christ and lead others to know and serve Him.

Churches and ministries can partner with us by becoming a training center where believers are trained and mobilized to reach their community for Christ.

Pastors who already have theological training are trained and equipped through the two-day **Teacher Training Workshop (TTW)** to use the **Bible Training Centre for Pastors'** curriculum. CCI staff leads the workshop, and at the end of the training, pastors are given the opportunity to partner with CCI and become certified teachers of the curriculum.

Certified teachers train leaders in their churches and surrounding areas. As students grow in biblical and spiritual knowledge and practical ministry experience, they get involved in local church ministries and help start new classes and local churches.

Currently, we have **881 classes** with more than **10,670 leaders** in training and more than **31,600 trained leaders** making an impact on the world for Christ!

Will you join us in training workers who will spread the Gospel?
